## Transfers

Occasionally, you may have to ride two different routes/buses to reach your ultimate destination. Just ask the driver for your free transfer when boarding the bus. Transfers are valid at the downtown Transit Center only, and must be used within 45 minutes of your arrival downtown. Sorry, transfers can not be used for a return trip on the same route that issued the transfer. Transfers are not valid to ride on routes #9 or #10.

## Bike Racks

Each RTA bus has a bicycle rack accommodation three bicycles. They are available on a first-come, first-served basis. No motorized bikes, or other devices, are allowed. ACRTA is not responsible for any damage to your bike or other property.

## Waiting for the Bus

When waiting for the bus make sure you are standing at a bus stop sign, where the bus driver can see you, so you are not passed by.

## Boarding the Bus

Please have your exact fare, pass or ticket ready before boarding the bus. Bus drivers carry no money and cannot make change. Half Fare riders must have their ID card ready to show the driver. If you do not show your card, you will be required to pay the full fare. If you need a transfer, ask the driver when you pay your fare.

## Riding the Bus

After paying your fare, move to the rear of the bus. Please make front seats available for elderly or disabled passengers. Take your seat as quickly as possible. This allows the driver to start moving and helps the driver maintain the schedule. When walking on a bus, hold on to the grab rails or seat backs. Do not move around on a moving bus. Wait until the bus has stopped to get out of your seat. For comfort of other passengers, no eating, drinking, smoking or radios without earphones on the bus. Please use care and courtesy when carrying items such as umbrellas, groceries, etc. Help keep your buses clean by keeping your feet off the seats and taking all trash with you. Please do not engage the driver in conversation. His or her job requires that they concentrate fully on driving the bus and may be distracted by talking. Give the driver adequate notice that you want to exit the bus. All strollers/carts must stay clear of aisle.

## Exiting the Bus

Pull the bell cord at least one block before the next stop sign. After you exit, do not cross the street in front of the bus. Standing away from the bus and wait until it has left before attempting to cross the street.
